

SAY THE NAME

When I say the name of Jesus
There's strength to overcome
And when I say the name of Jesus
It's where my help comes from

*So say the name of Jesus
Name above every name
Almighty One, Jesus
My life forever changed
So say the name of Jesus
The One who set me free
When I was lost He found me
Was blind but now I see*

So I'll raise my voice and praise His name
I will never be the same
He bore my sin and He broke my chains
I found my freedom in His name

There's power in the name of Jesus
The darkness has to go
There's healing in the name of Jesus
One touch can make me whole

*No other name but Jesus
By which we can be saved
When we lift up the name of Jesus
His glory fills this place
Amazing love, Jesus
He gave His life for me
I'll say His name, Jesus
Now my life is complete*

YOU ARE THE ONE

*You are the One who died for me
You are the One who set me free
You took the punishment for me
You are Jesus, my God and King*

You left your home in heaven to die upon a cross
You purchased my salvation, no matter what the cost
You took upon Your body the stripes You bore for me
Once I was held captive and You came to set me free

Now I'm forever grateful, death has lost its hold on me
Your mercy is forever and your life has ransomed me
The enemy's defeated and my future is secure
Jesus, You have won the victory and it's mine forevermore

I stand righteous before You, my guilt and shame are gone
Now I can face the future, my victory's been won
Your favour, it surrounds me, Your faithfulness I see
You've prepared a table for me and it's filled with Your good things

WHAT A DAY

There's a tug upon my heart
Like a knock upon the door
The Saviour is calling me
Says He's coming very soon
Keep watch for His return
It's just a matter of time

*What a day that will be
When my Jesus I shall see
There'll be no more sorrow
No parting there
When I look upon His face
Into His eyes of grace
What a love, what a Saviour
What a day that will be*

When He takes me by the hand
Beside Him I will stand
With the One who gave His life for me
There'll be peace forevermore
It's the home my heart longs for
With open arms He'll welcome me

I LIVE TO WORSHIP YOU

More than a song I sing
I give You everything
With all of my heart
I respond to Your presence
Welcomed by Your mercy
Thanking You for victory
I minister love
To You, Jesus

*Oh, I live to worship You
Bringing praise and as I do
Changed by Your love into Your likeness
Going through the courts of praise
My voice to You I'll raise
Entering Your gates
To be with You*

Out of fear into Your light
I walk by faith not sight
Lifting my worship
In spirit and truth
Giving my affection
I want a close connection
To be with You, Jesus
Is my deepest desire

And I give You praises
I worship You, Jesus
You alone are worthy of all praise

Oh, I lift Your name on high
You are worthy, worthy, Lord
Oh, I live to worship You
You are worthy of all praise

NOT OF THIS WORLD

I'm a new creation
Of a holy nation
A kingdom of the age to come
Creation testifies the excellency of Christ

*Not of this world, Restorer of Souls
He came to save the nations
He took my sorrow and my shame
Now I'm forever changed and I will worship Him*

All my faults and failures
Are covered by His blood
There never was a greater love
He gave His life for me so I could be set free

I will walk in the power
Of the life that is in Christ
More precious than anything I have
His Spirit lives in me, revealed for all to see

The cares of this world
Grow strangely dim
As we worship Him
As we worship Him

IN THE SHADOW

*In the shadow of the Almighty
You'll find rest for your weary soul
In the shadow of the Almighty
You'll be safe within His arms*

When the storms of life are raging
And you're barely holding on
When your spirit's feeling heavy
And the wind is blowing strong
Our God's a mighty refuge
He's a shelter in the rock
His arms are open wide
Waiting for you

Oh, He is here for you
He's a shelter for you
In a higher place
Safe and secure before His face
He'll answer your cry
When you call upon His name
You will find peace and strength
In times of trouble

His eyes are upon you
And He hears your every prayer
He'll never leave you or forsake you
You won't ever walk alone
He'll open the door
When it was closed before
He'll make a way for you
In desert places

Our God's a mighty refuge
And He'll make a way for you
In the driest place
Springs of living water

WALK OF GRACE

I will walk the walk of grace
I will talk the talk of faith
You are with me all the way
Guiding me each day
As I sing and worship You
Your Spirit fills my life anew
Speaking truth right to my heart
Brings life to every part

*Every day, I love You more and more
Every night, I can rest with peace in my heart
I can face the future unafraid
Alive in me, Your Spirit leads
And Your grace enables me*

Even though the path is rough
Even when the times are tough
You are everything I need
Goodness and mercy follow me
To Your presence I draw near
Your love breaks the hold of fear
In You I find my destiny
Greater things in store for me

Holy Spirit flows through me
Like water from a stream
Your living Word refreshes me
Like the very air I breathe

FULLNESS OF JOY

When I come before You
To offer up my praise
Each step I take toward You
I'm closer to Your face
When I seek You I will find You
Warmed by Your embrace
Swept away toward Your heart
To the secret place

*There is joy
Fullness of joy
It overflows inside of me
Your love I will impart
There is joy
Fullness of joy
The secrets You make known to me
Are treasured in my heart*

Now I have finally found You
My soul so long has craved
You satisfy each longing
Deep within my heart
Drawn in by Your Spirit
The fragrance of Your love
There is nothing sweeter
It's like honey from the rock

*There is joy
Fullness of joy
The longer I am close to You
The more I hear Your voice
There is joy
Fullness of joy
Captivated by Your love
I am Yours by choice*

SHOW ME YOUR GLORY

Mighty are Your works, O God, in all the earth
Everywhere I look I see Your hand
You formed the universe with words, all powerful You are
With Your words, the mountains, they must move

The colours in the autumn leaves, the flowers in the spring
Creation's beauty tells Your awesome works
The earth is just a shadow of what You've prepared for me
My heart longs to see You face to face

*Show me Your glory, show me Your ways
Reveal the secret things by Your Spirit, from Your Word
Show me Your glory, show me Your ways
I will draw near to You and abide in You always*

From the highest mountain top down to the streams below
The wonder and the beauty flood my soul
You rule over the surging seas, there's no one else like You
Yet Your unfailing love and mercy cover me

THE OIL AND THE WINE

From sin and death You made a way
A debt I never can repay
When You gave Your life for me
Hope was restored and now I'm free

Love so amazing, so divine
The greatest ransom of all time
There's never been a greater love
Changed everything for everyone

*You softened up this heart of mine
With the oil and the wine
Oil of the Spirit of love
Wine of Your precious blood*

Nothing I have ever done
Can separate me from Your love
All the darkness in my heart
Was washed away by Your blood

The greatest love the world has known
Can soften any heart of stone
Past failures are erased
Your love has covered my mistakes

You have healed my broken heart
Everything is new
There is nothing in this world
That matters more than You
Your love has set my heart on fire

WAITING IN YOUR PRESENCE

I'm waiting in Your presence
It's where I long to be
To have a fresh anointing
In every part of me
There's healing and forgiveness
And only You can make me whole
The precious blood of Jesus
Washes o'er my soul

*I lay down my desires
I lay down my dreams
Take my life in Your hands
I trust You, Lord, with me*

When I come to You
Your arms are open wide
Your mercy welcomes me
I'm righteous in Your sight
You shower me with blessings
And I'm accepted by Your love
Leaning on Your grace
I offer You my praise

When I'm waiting in Your presence
It satisfies my thirsty soul
I place my cares down at Your feet
You're my strength, my peace, my all
Longing for Your glory
I'm humbled by Your greatness
Surrendered to Your purpose
Lord, You're everything to me

Longing for Your glory
I'm humbled by Your greatness
Surrendered to Your purpose
Lord, You're everything to me

KING OF MY HEART

He came by the Spirit from heaven to earth
To a young virgin, the Saviour to birth
The shepherds looked up and saw fire in the sky
The angels had come, hope had finally arrived

The whole host of angels were singing God's praise
They knew the world would be changed by His grace
Destroying the darkness that caused us to fall
Setting us free from sin, once and for all

*His name is Jesus, Emmanuel
God with us, He's so wonderful
Prince of Peace, hope for the whole world
Mighty God and King of my heart*

The kings and their company came from afar
Carrying gifts as they followed the star
With wonder they bowed down and worshipped the Child
The Anointed One, Jesus, Messiah had come

Come celebrate for our Saviour has come
Share in the wonder, sing glory to God
Christmas is here, what a joyful time
The Light of the world came, so His light could shine
