

NOT OF THIS WORLD

I'm a new creation
Of a holy nation
A kingdom of the age to come
Creation testifies the excellency of Christ

*Not of this world, Restorer of Souls
He came to save the nations
He took my sorrow and my shame
Now I'm forever changed and I will worship Him*

All my faults and failures
Are covered by His blood
There never was a greater love
He gave His life for me so I could be set free

I will walk in the power
Of the life that is in Christ
More precious than anything I have
His Spirit lives in me, revealed for all to see

The cares of this world
Grow strangely dim
As we worship Him
As we worship Him
