

YOU ARE THE ONE

*You are the One who died for me
You are the One who set me free
You took the punishment for me
You are Jesus, my God and King*

You left your home in heaven to die upon a cross
You purchased my salvation, no matter what the cost
You took upon Your body the stripes You bore for me
Once I was held captive and You came to set me free

Now I'm forever grateful, death has lost its hold on me
Your mercy is forever and your life has ransomed me
The enemy's defeated and my future is secure
Jesus, You have won the victory and it's mine forevermore

I stand righteous before You, my guilt and shame are gone
Now I can face the future, my victory's been won
Your favour, it surrounds me, Your faithfulness I see
You've prepared a table for me and it's filled with Your good things
